

## LITESTAR 4D Pro License F

### Unlimited Time Customized Program License for Marketing

#### 1, 2 or 3 Years

The undersigned company confirms the Marketing License in question, which includes the corresponding Maintenance Contract, for the below mentioned period from the date of signature of this contract on.

### Supply Conditions

OxyTech engages itself to supply our company the following software and services for the validity period of the contract:

1. The program master file sent via Internet in the available languages. It is understood that the program will continue working at the end of the Maintenance Contract even if this is not renewed.
2. The following services (it is understood that the below mentioned services will be automatically shut off at the end of the Maintenance Contract period if it is not renewed):
  - a. inclusion of the customer's photometric and/or catalog data in the program master file
  - b. partial customization of the program logos
  - c. customization of the printouts logo
  - d. activation of the company WebCatalog
  - e. automatic program upgrade via Internet
3. One License R and related Maintenance Contract for LITESTAR 4D Open including the free use of the LITESTAR 4D Open program through our Website
4. One License B for LITESTAR 4D Pro (Single User License) and 1/2/3 year/s of the corresponding Maintenance Contract including, from the order's arrival and up to the expiration date, which will then be further extended to the end of the corresponding month:
  - a. automatic LITESTAR 4D program upgrade via Internet
  - b. daily communication and monthly summing-up of data regarding those designers, corporations, distributors etc. who have downloaded LITESTAR 4D Open from WebOxy (only for manufacturers)
  - c. 1/2/3 year/s of telephone and/or via Web-conference (Gotomeeting) on the use of the program equal to a total of 200€/year (Junior Assistance = 40€/hour – Master Assistance = 80€/hour). Unused assistance credit cannot be used for other services (for instance photometric measurements) **N.B.:** unused credit will be deleted after the Maintenance Contract expiration date
  - d. 20% discount on the purchase of blocks for various services (courses, photometric measurements, customized product catalogs assembly, etc.)
  - e. 4 hours/year of Gotomeeting Internet course or face-to-face course in OxyTech's headquarters per each activation code
  - f. creation of the company section including logo and company data in The Partners area of WebOxy with link to our company Website and selective product search functions

## LITESTAR 4D Pro License F

5. Five Licenses G for LITESTAR 4D Pro (Single User License) and 1/2/3 year/s of the corresponding Maintenance Contract including, from the order's arrival and up to the expiration date, which will then be further extended to the end of the corresponding month:
  - a. automatic LITESTAR 4D program upgrade

The customer agrees to:

1. Distribute the program version available at the time of supply and all its contents with the exception of the photometric and catalog files considered to be the customer's own
2. Superimpose on the standard OxyTech logos his own logo with the text ' Realized in Cooperation with ...' for a maximum of 75% of the total space in particular on all media (cover, DVD printing and program entry logo) and on all Internet pages dedicated to the software download
3. Send OxyTech all cover, logo and Website pages designs for prior authorization before the realization of copies or activation of program download from the company Website.

**Nota Bene:** Our company reserves the right of asking for possible customizations of the program (changes in the name of the program, in the dimensions of the area reserved to our logos, etc.) that OxyTech will evaluate separately. The list of the possible changes will be consigned to us by OxyTech on request.
