

## LITESTAR 4D Pro License R

### Dynamic Marketing License with WebCatalog

(Data distribution through LITESTAR 4D Open/Pro included)

#### 1, 2 or 3 Years

The undersigned company confirms the Marketing License in question, which includes the corresponding Maintenance Contract, for the below mentioned period from the date of signature of this contract on.

### Supply Conditions

OxyTech engages itself to supply our company the following software and services for the validity period of the contract:

1. Authorization to distribute the LITESTAR 4D Open program in an unlimited number of copies to our customers
2. The following services (it is understood that the below mentioned services will be automatically shut off at the end of the Maintenance Contract period if it is not renewed):
  - a. the activation of the company WebCatalog on the OxyTech Internet Server or on our company Server
  - b. access to the reserved area of the OxyTech WebCatalog Server for continuous data updating
  - c. the automatic activation of our WebCatalog in LITESTAR 4D in both Open (free) and Pro configuration
3. One License B for LITESTAR 4D Pro (Single User License) and 1/2/3 year/s of the corresponding Maintenance Contract including, from the order's arrival and up to the expiration date, which will then be further extended to the end of the corresponding month:
  - a. automatic LITESTAR 4D program upgrade via Internet
  - b. daily communication and monthly summing-up on an Excel file of data regarding those designers, corporations, distributors etc. who have downloaded LITESTAR 4D Open from WebOxy (only for manufacturers)
  - c. 1/2/3 year/s of telephone and/or via Web-conference (Gotomeeting) on the use of the program equal to a total of 200€/year (Junior Assistance = 40€/hour – Master Assistance = 60€/hour).

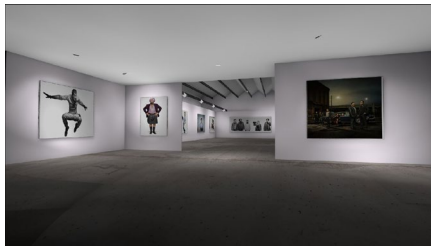

**N.B.:** any assistance provided outside the Maintenance Contract and/or after the credit has been exhausted will be automatically invoiced based on our Service Price List in force at the time the service is provided. The invoice will be issued when the limit of €100 is exceeded

**N.B.:** unused credit will be canceled upon expiry of the Maintenance Contract
  - d. 20% discount on the purchase of blocks for various services (courses, photometric measurements, customized product catalogs assembly, etc.)
  - e. 4 hours/year of Gotomeeting Internet course or face-to-face course in OxyTech's headquarters per each activation code
  - f. creation of the company section including logo and company data in The Partners area of WebOxy with link to our company Website and selective product search functions
